

Erica Murray, MPA

President and CEO

California Association of Public Hospitals and Health Systems (CAPH)

Erica Murray serves as President and CEO for the California Association of Public Hospitals and Health Systems (CAPH). Prior to being appointed President and CEO in 2013, Erica was Senior Vice President and in that capacity was responsible for leading the organization's policy and government relations efforts. She has worked at CAPH since 2005, with a focus on policies to support and strengthen public hospital systems' successful delivery system improvements, many of which have been fostered by CAPH's affiliate, the California Health Care Safety Net Institute (SNI). Prior to California, Erica served as Legislative Aide for Senator John Edwards (D-NC), as an analyst for The Advisory Board Company, and as a consultant for the HIV/AIDS Bureau within the Health & Human Services Agency, to establish the AIDS Drug Assistance Program.
